COVID-19 Safety Precautions

Subject to local health and safety precautions, the tennis centre is currently operating with these enhanced guidelines and amenities to ensure the safety of guests:

- Hand Sanitizer Stations have been installed at court entrance, we strongly encourage patrons to sanitize or wash hands thoroughly before and after play
- Guests are asked to use personal water bottles, a touchless water & ice filling station is available
- Adult group instruction is limited to 10 people per court
- Advanced registration is required, walk-ins are not permitted at this time
- Junior Summer Camps are limited to kids age 5 years old and up
- Parents/guardians will drop off camp participants behind the tennis centre, one car at a time.
- Camp participants are required to take mandatory temperature and screening questions each day
- No drop-in camp sessions allowed; camp participants must sign up for the whole week
- We are adhering to “#safeplay” policies to ensure safety of all participants and staff
- Campers will be asked to maintain social distancing, no high-fives, handshakes, hugs, no touching nets or other equipment
- Camp Participants will be asked to wash hands, and/or use hand sanitizer as often as possible
- Camp participants are encouraged to wear hats, sunscreen should be applied before entering camp
- Camp participants must have a personal water bottle and their own racket
- Regulations subject to change, based upon local health and safety guidelines.
